Chemical Right-To-Know Program  
PO Box 1473  
Merrifield, VA 22116  
ATTN: Mr. Richard Hefter

Dear Mr. Hefter:

In keeping with Cytec's 1999 commitment to the EPA High Production Volume Voluntary program, attached find a robust summary and test plan for 6-tert-butyl-3-(chloromethyl)-2,4-xlenol (CAS # 23500-79-0).

The robust summary and test plan is provided as hard copy and in pdf format.

Sincerely,

Randy Deskin, Ph.D., DABT  
Director, Toxicology and Product Regulatory Compliance Department
